HB 8 – Rep’s VanDeaver | Kuempel | Buckley | Bonnen | Longoria

Relating to the administration, coordination, and support of public higher education, including the public junior college state finance program and a Financial Aid for Swift Transfer (FAST) program to enable certain students to enroll at no cost to the student in dual credit courses offered by certain public institutions of higher education. Among other things, CSHB 8 incorporates recommendations of the Texas Commission on Community College Finance (TxCCCCF) recommends changing the funding structure for public junior colleges to focus on student outcomes and enhance the role of public junior colleges in workforce training and preparation. The recommendations provide for the funding of small colleges and students who are economically or academically disadvantaged, as well as Texans who have earned some college credit hours. The TxCCCCF also recommends that the state support credential programs for high-demand fields that meet regional and state workforce needs.
